Junior Wheels for All

Aiming High for Disabled Children

Adapted cycling sessions for children and young people with disabilities and additional needs - have fun together with family, friends and carers.

Wheels for All Victoria Park is a centre dedicated to offering children and young people, who for whatever reason cannot ride a standard two wheeled cycle, an opportunity to experience the benefits of cycling. We have a range of adapted cycles, such as trikes, quads, hand cycles and adapted tandems for the whole family to enjoy.
