An introduction to Person Centred Planning

A free workshop for parents / carers

- Find out about person centred planning
- Learn to use some tools to help you present information
- Develop a one page profile
- Plan your next steps

Woolston leisure centre

Free Lunch included !

10th November 2011

10.00am—2.00pm

Person centred tools are ways you can collect and present information to professionals, to ensure you and your child are central to the SEN and transition planning process

Family Footings are supporting parents and carers to use this Person Centred Approach advocated by the SEN Green Paper, so parents feel really involved and listened to.
